Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim (in the spirit world):

Heung Jin Nim: "Love, love, love ... this is the only thing that is important. There is nothing else that is important."

People talking a lot about love these days, but do not understand what love, true love, really is:

Heung Jin Nim: "America is starving, starving, starving for true love. Satan has given his filthy counterfeit. Everyone uses this word, they profaned it and defiled it "love" and only they mean selfishness, greed and lust. They do not know what love is. But you must be the teachers of love." (1)

Of course, the whole world is starving for true love. The whole world is like a desert, full of false love,

but lacking true love:

True Father: "There have been many bells of goodness and love in history, but today you can create the greatest bells of love, ringing them in a desert-like world. You are the first and last in history to do so. We are living in an age of hope and consummation, the time when God's history will be finalized. There is nothing greater you can expect. You should be honored to participate in this final drama of God's history. Let us be great bells of love ringing out in the desert. Once people hear the sound of love correctly, they will follow your pattern and imitate you and the sound of the bell will never cease." (2)

True Parents have started the True Love movement in order to save this world. And they are pushing it forward, True Father in the spiritual world, together with Jesus, Heung Jin Nim etc., while True Mother is spearheading the revolution of true love on this earth, in resonance with God, True Father and Jesus:

True Father: "The revolution of love will make possible the realization of the ideal for which God and all humankind have been waiting and hoping since the beginning of human history." (3)

We are in the middle of God's revolution of true love. And each one of us is requested to be a main player in this revolution, which is about to bring about God's ideal of love on this earth and in the spiritual world. We are in the middle of a spiritual war between the forces of evil, used by Satan, and the forces of true love, used by God. And true love is the weapon that we need to use. It is the strongest power, and Satan's camp does not have that incredible weapon:

True Mother: "My husband and I have dedicated our lives exclusively to building a world of lasting peace. This has been our lifelong mission. We have always taught that peace is not merely an absence of violent conflict. Peace comes into being whenever relationships are characterized by harmony, balance and mutual respect. Such relationships are created when we practice unselfishness, living for the sake of others.

This is the essence of true love. True Love is the essence of God, who created all things, as our Heavenly Parent. We all have a nature that derives from our common origin. That is why we are capable of practicing True Love, toward one another, and toward all things in the world around us." (4)
