Dear brothers and sisters!

Here again an inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "If you can regard all people as your parents, siblings or children, then when you look upon the many who are suffering in this world of death, you will be unable to relate with them without tears. When you look at your siblings, or younger people, you will feel a strong sense of responsibility to take care of them, and with tears you will make every effort to do so. If you truly become such a person, like God, then the kingdom of heaven on earth will be built around you." (1)

True Mother: "Once we become people of true character, we will come to feel that every person is our parent, sibling or child, and we will want to treat them as such. We will not be able to see all the people now wandering in the world of death without tears filling our eyes. With such love, when we see young people thrashing about in a quagmire of drugs and debauchery, we will feel compelled to devote our full heart and soul to saving them, as if they were our own children. This is a manifestation of the love that unconsciously and naturally seeks to give rather than receive." (2)

Our purpose is to represent God in this world. We need to express His parental heart towards every human being, even towards the creation:

True Father: "We need to develop our character by modelling ourselves in the image of God, expressing

the heart of God and the divinity of God." (3)

We need to become God-like:

True Father: "The more you practice the way of life of God, the more you resemble God, the more you become God-like. When you live God's way of life, you will emerge as a leader in your own world. You will become the central figure, just as God is the central figure of the entire universe. " (4)

Practicing God's way of life includes loving those that oppose us:

True Mother: "I pray that as you become one, you will become people that fulfill God's dream and humanity's hope. I embraced with love those children that did not accept the truth, who opposed me and criticized me." (5)

We need to overcome our fallen nature and practice true love instead, just as God and True Parents do. In true love there is no resentment and accusation etc. There is forgiveness instead:

True Mother: "I have travelled the globe embracing everyone I meet. If one possesses true love in her heart, no place remains for contempt, blame, persecution or hurting others. Going beyond religions and nationalities, in order to accomplish God's dream, I embarked on various world tours, going where people needed me. "(5)

By striving to become God-like, we are making God's dream a reality:

Sun Jin Nim: "Thank you, Brothers and sisters, for being the light of Hyojeong hope, True Love, pure devotion, absolute faith, and for making Heavenly Parent's dream of Vision 2020 and Cheon Il Guk a reality!

Because of you, I know we will have a year of abundance and victory! You are the keys to unlocking our worldwide family from the shackles of the Fall and ushering in a new day of peace, mutual prosperity, and True Love, resetting the balance of the earth and cosmos back to its original glory. You shall be victorious! From the bottom of my heart I thank you for making the impossible possible!" (6)
