Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim (in the spirit world):

True Father: "The idea of love is most important. Since everything is like an enemy, what would you have if you did not love them? Thus, loving your enemy is the starting point for finding love. You must be able to love an enemy even before you can love all things." (1)

True Father as well as True Mother emphasize the importance of loving those that are difficult to love:

True Mother: "Love is not just loving somebody who is easy to love, but enduring, forgiving, and embracing people in order to fulfill the providence. Father is now showing us this kind of love."

True love never stops and is unconditional. It wants to be a blessing to everyone, including those that are hard to love:

True Father: "True love means that when it is easy to love, you love, and when it is difficult, you still love. This distinguishes true love from false love." (2)

Why is this so important? Because true love is the greatest force in the universe. With true love we can make a huge difference in this world of false love:

Sun Jin Nim: "If we are to offer a restored nation to True Parents, it will not be through the use of force. Only by practicing true love can we move, inspire and transpire a nation. If we look at the state of the world today with the crises of the planet, global economic difficulties, and interreligious strife, we know that the world urgently needs True Parents' true love and blessing; now more than ever. Only through True Parents and the heart of true parental love can we establish world peace and one Family under God." (3)

We need to spread God's true love wherever we go, expressing the heart of God to whomever we meet:

True Mother: "My message today for you is to become water that spreads out the true love of our Heavenly Parent and the True Parents of Heaven, Earth and Humankind." (4)

Heung Jin Nim: "Everywhere you go, you must create the Kingdom of Heaven just as our Father does. I will be with you. The whole spirit world will be with you. The Kingdom of Heaven is in you, and you must let it out." (5)

By doing this, we become part of God's revolution, spearheaded by True Mother in unity with God and True Father:

True Father: "The revolution of love will make possible the realization of the ideal for which God and all humankind have been waiting and hoping since the beginning of human history." (6)

We all can participate in this greatest revolution the world has ever seen.

Love from Bruno
