Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim (in the spiritual world):

True Father: "Respect and love others as much as you love God."

All people in this world are the beloved children of God, and that is why we cannot love God while disrespecting and hating people:

True Father: "Don't look at things selfishly, but with a desire to give love. Look upon a person who hates you with love, and eventually he will change. Begin sending out messages of love to those around. Pull out your old vision and replace it with new eyeballs of true love." (1)

We need to try to be a blessing even to people that are hard to love. Such love is true love. True love does not have limits. It tries to be a blessing to everyone, no matter who that is. It does not depend on what comes back, but keeps giving anyway:

True Mother: "God's true love is love that forgets it has invested, so it invests again and again and again." (2)

True Mother: "We should live a life of love. True love is a love by which we continuously live for others, investing in others and forgetting we have done so." (3)

We are supposed to develop and nurture that heart in ourselves. To do this we need to exercise our heart:

Heung Jin Nim: "Exercise the heart in your actual practice, actual loving, actual reaching out. That is needed because if you just remain in your head, sooner or later you lose power. Determination will not save the world. Love will save the world." (4)

We should never think we have grown enough:

Heung Jin Nim: "Brothers and sisters, don't be satisfied with the level that you are at. Please reach out every day for a new level." (5)

Of course, Heung Jin Nim is more than willing to help us in our growing process:

Heung Jin Nim: "You just have to learn the secrets of bringing a heavenly environment around you. And the simple secret is to keep calling my name. And I can come. Call Jesus' name. We come together. Learn how to use us to help you. We are your brothers. We want to serve you. Anything we can do from the spiritual realm, we will do. Please call us. Please, so we can come and help you. But if you don't call us, there is a spiritual barrier that we can't get through." (6)

We can also call True Father, Jesus, Hyo Jin Nim, Dae Mo Nim etc for help and guidance. That will certainly make a big difference, if we do that on a regular basis. They will help us to bring our potential to fruition and become the people that we are supposed to be, people who are loving God and all people with true love:

True Father: "You are born as the princes and princesses of love. You must become kings and queens of love and create the kingdom of love. That is God's ideal and that is the true purpose for your being born. Human dignity and value is that great. We were born for the perfection of love." (7)
