

Everything always comes back to you. You are the winner. True Father

Dear brothers and sisters,

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim (in spiritual world):

True Father: "Those who love more, invest more, who give more and forget what they have given, will become central figures. This is cosmic law." (1)

Unconditional giving without expecting a reward is God's tradition:

True Mother: "God's tradition is one of unconditional love; He doesn't want to receive love first and then give love. Parental love is unconditional, even towards sinners. Therefore, you want to practice God's tradition, and whether people love you or not, you will love them first. Then your love is pure and genuine." (2)

God and True Parents want all of us to develop and nurture this type of love, divine love, pure and genuine, without hidden agenda. Such love will save this world. Such a love is what True Father and True Mother practiced all their life, and they are still doing it, never stopping, knowing that this will save the world:

True Father: "Because of love, you can rescue a world that is in decline. Only when you inherit the

tradition of true love, which is based on living and sacrificing for the sake of others and on a heart of unconditional love and service, can this world's decline be brought under control. This is the rule of Heaven." (3)

The more we practice and nurture such a love, the more we can see God working behind the scenes:

True Father: "I give and forget. That is how I live. It's that simple. My life seems very hectic and complicated, but it always comes back to being simple. Nothing is complicated. Wherever I am, everything just fits right. Perfectly right!" (4)

True Father: "Once you reach the divine mind within you and come back out to the world, you will find that God is already before you; thus nothing will be able to disconnect you or overcome you. " (5)

By living a life of unconditional love, we can achieve many victories on all levels:

Heung Jin Nim: "Unconditional love never ends. The victory of love can only emerge, if love is unconditional". (6)

True Father: "When you are living with this 100 percent commitment of true love, you don't have to worry or have ulcers. You can always have serenity and peace of mind, knowing that as you stay in the center, everything always comes back to you. You are the winner. " (7)

Heung Jin Nim explains very well what "unconditional" means:

Heung Jin Nim: "Being unconditional means not to expect any reward. You can only grow when you demonstrate unconditional sacrifice and thus fulfill your portion of responsibility. Do you love one another unconditionally or do you seek some kind of payment in return? Some people think, "I loved you, why don't you love me?" or "I gave you a present, why don't you give me one too?" or "You do not talk to me, I won't talk to you either." This is almost a formula of how people think, yet it is one of the main problems in man. Do you give yourself to other people absolutely, unconditionally and willingly?" (8)
