Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim (in the spiritual world):

True Father: "The entire world and universe should be eternally filled with God's love. Each individual is a carrier of that love, sprinkling it at higher and higher levels. This is your eternal destiny." (1)

In the world designed by God, there is true love everywhere, in every relationship, on all levels. There is no evil and there are no conflicts, because nobody has a fallen nature. Everyone resonates with the loving heart of God and wants to be a blessing for others, always, unchangingly. That is what the 3 great Blessings are all about.

However, because the first human ancestors listened to Satan rather than to God, they allowed themselves to get corrupted to the very core of their being. Their lineage changed to the lineage of Satan. Their corruption, as a result, got inherited by their descendants up to this day. And the whole world got corrupted to the core.

These days people try to improve this world by all kinds of means, political, military, scientific and all kinds of other means. But all this is not the solution:

True Father: "In order to restore this tragic history back to its origin, a new revolution is necessary. This revolution cannot be accomplished by a political strategy, nor economic or social reform. More than anything else this revolution is only possible through the revolution of our fundamental consciousness. It should be a new revolution of love, centered on God's love." (2)

True Parents started this revolution of love. They spread true love everywhere, and we, too, are destined to spread true love everywhere we go, until this world is filled with it completely, everywhere and on all levels. We are called to make a huge contribution to the healing this world, by being a blessing to others, by spreading God's love and blessing:

True Mother: "We do not need arms, we do not need knives. Let us practice true love. Let us spread true love. Let us spread the blessing!" (3)

Heung Jin Nim: "What I want to see is not a spreading of spiritual phenomena, but a spreading of love." (4)

Sun Jin Nim: "When True Mother gave us the vision 2020, it was with the goal of spreading Heavenly Parent's and True Parents' teaching of true love to all 7 billion people of the world." (5)

Indeed, we need to teach the world about the importance of true love and what true love really means:

Heung Jin Nim: "America is starving, starving, starving for true love. Satan has given his filthy counterfeit. Everyone uses this word "love"; they profaned it and defiled it, and only they mean selfishness, greed and lust. They do not know what love is. But you must be the teachers of love." (6)

We are honoured to participate in the revolution of love, God's own revolution, the revolution of true love:

True Father: "There have been many bells of goodness and love in history, but today you can create the greatest bells of love, ringing them in a desert-like world. You are the first and last in history to do so. We are living in an age of hope and consummation, the time when God's history will be finalized. There is nothing greater you can expect. You should be honored to participate in this final drama of God's history. Let us be great bells of love ringing out in the desert. Once people hear the sound of love correctly, they will follow your pattern and imitate you and the sound of the bell will never cease." (7)

True Father: "God's desire for us is that we live in ideal oneness with Him through love. The lofty vision that humanity longs for, of freedom, peace and happiness, is possible only when we achieve harmony and unity within true love. The Unification movement is the movement to spread true love to the whole world." (8)
