Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim (in spirit world):

True Father: "I am the one who carries God's bitter sorrow deep in my heart. Yet I know that even if I could draw a sword and slash to pieces the heads and bodies of the thirty million people of this nation who behave like my enemies, it would still not dissolve God's bitter sorrow. Instead, since I know that the way of love is to love them even more, I have to make known to them the love of God that I keep in my heart." (1)

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead. Only then can you focus on love, which is the great road of the law of nature, and can you travel that great road which embraces all as one. Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." (2)

True Mother: "The capacity to forgive your enemy and save his or her life does not appear overnight. It requires that we eliminate the resentment and anger in our hearts and see the countenance of God in the face of our enemy. Father Moon could do so because he did not think of Mr. Hara (his torturer) as his enemy. Even while being tortured, he prayed for him and forgave him." (3)

As we know, True Parents have always loved their "enemy", and they will never stop doing that. Loving the enemy is part of true love. And it is a very powerful force. We all are supposed to do the same, to reach the level of love of God and True Parents, as well of Jesus, of course. We all have the potential. We just need to bring it to fruition, by developing and nurturing the love that we already have in our heart.

We need to become such pioneers of heavenly heart, that resonates with the heart of God:

True Father: "To pioneer heavenly heart is the path of those who walk the path of paths." (4)

Everyone can walk that path of paths. It requires the desire to reach higher and higher levels of heart and love, with other words, to find our true self, our original mind, not stained by any ungodly traces. This is not just an abstract thing, but it needs to play out in our daily life, by ourselves always checking our heart

and motivation, and making corrections if needed. We certainly need the help of God, True Father, Heung Jin Nim, Hyo Jin Nim, Jesus etc. on this pioneering path. We need to continue to ask for such help:

Heung Jin Nim: "I said before that love is the key, but actually because of your barriers of love you need help. You need help to guide you to the deeper levels of love. Therefore your faith (in Heung Jin Nim) is the key because through your faith I can be with you and when I am with you then I can lead you in an understanding of love. And with that faith and with that love then nothing can stop your march forward to victory." (5)

Higher levels of heart and love have a great positive effect on all levels:

True Father: "My philosophy is very simple. If you have the attitude to love your enemy, then you can overcome any situation and there is no obstacle that can block you." (6)

God needs people who pioneer true love:

True Father: "If you have such great love that you can love even your enemy, that power will melt everything. God needs a movement that can melt the wrong world down and change it into the right one. (7)

Particularly the blessed couples are called to pioneer heart and love:

True Father: "The couples I create will march forward as flag bearers who can love their enemies. Together they will become princes and princesses

of God. This is the exciting life we live." (7)

We can give hope to the world and change it into the Kingdom of God, the world as designed by God:

Sun Jin Nim: " Be the hope you want to see in the world....Win the crown of glory. Cultivate the heart, the love. Love your enemy, rise above, and change it for good. Glory is the living embodiment of love on earth, the highest level of love we can achieve. That is your legacy because that is what True Parents did." (8)
