Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim:

True Father: "We should be devoting all our hearts and minds to becoming the progenitors of goodness that humankind has been seeking and that God has been seeking. We should be the parents of good parents. By practicing the right principles of love we should be examples for humanity." [1]

By following the logic of true love, we become more and more God-like. We become shining examples for humanity:

True Father: "The mission of restored man [woman] is to demonstrate a higher quality of love than ever existed in the satanic world." [2]

We need to reach the perfection of heart and love, and certainly nothing less. We must become God-like people. How do we that?

True Father: "If you are ready to receive nothing in return then you become like God, because God is always giving out love with His whole being, getting nothing in return. That is the point where godliness starts." [3]

True Father: "If you give expecting something in return, you are not a real owner of love. If you give and then forget how much you gave, you can be a central person of love." New CSG 336

True Mother: ""We should live a life of absolute true love. True love is a love by which we continuously live for others, investing in others and forgetting we have done so." [4]

True love is investing love and heart without expecting anything in return. It is forgetting what was invested and then investing again. And this applies for all people that we encounter, nice or not nice, arrogant or humble, aggressive or not aggressive, supportive or not, black or white, religious or atheist, Christians, Hindus, Muslims etc. It applies for all people, no matter what they think and do or have done.

As long as we are not ready to invest our love into everyone we meet, no matter what, we are not practicing unconditional love, and then we are not in line with God's way of loving.

Heung Jin Nim: "Being unconditional means not to expect any reward. You can only grow when you demonstrate unconditional sacrifice and thus fulfill your portion of responsibility.....Do you love one another unconditionally or do you seek some kind of payment in return? Some people think, "I loved you, why don't you love me?" or "I gave you a present, why don't you give me one too?" or "You do not talk to me, I won't talk to you either." This is almost a formula of how people think, yet it is one of the main

problems in man. Do you give yourself to other people absolutely, unconditionally and willingly?" [5]

Not loving unconditionally is indeed a major problem, because it stops true love from emerging. And then we cannot achieve victories of true love in our life, simply because then our love is not true, not genuine, not God-like. And then we are not able to to achieve victories of love either:

Heung Jin Nim: "Unconditional love never ends....The victory of love can only emerge, if love is unconditional." [6]

This is highly critical. If our investing into people is based on second thoughts, calculation, expectation, then it is not unconditional, and then we cannot expect big miracles and blessings based on that. We simply can be victorious in many ways only, if our heart and love are right, and that means unconditional. Otherwise all our effort will not have the desired effect:

Heung Jin Nim: "If you don't have the right heart first, all the organization in the world won't make any difference. The heart is the most important thing, the heart. What is your heart? What is the content of your heart? What is the level and depth of your heart? What is the level and depth of embracing people and feeling responsible?" [7]

But if our heart is right, in line with the way God loves, then we will not be the same again. We will go from victory of love to victory of love, bringing God's providence to new levels and creating lasting peace in the world.

The only thing that people need to learn is the right way of loving. Restoration is about restoration of true love, nothing else:

True Father: "The restoration of love is the central task of the Unification Church because that is where mankind went wrong." [8]

Heung Jin Nim: "The battle plan is the restoration of love, true love." [9]

The restoration of our heart and love is indeed the most important thing, in our life and even world wide!

Love from Bruno
