

True Father: My life has been one of forgiving and embracing others

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "My life has been one of forgiving and embracing others. That is how I eliminated hell in the spirit world." [1]

By forgiving those who have hatred, resentments and bitterness in their heart, by embracing and loving them without expecting anything from them, we make a huge difference. We all can do this, if we decide to do it. And that decision is not difficult, as soon as we understand how important it is to live in such a way:

True Father: " If you put yourself in the position of God or Jesus -- trusting persons while they betray you, loving persons when they don't deserve it, wanting to live and care for those persons while they are not qualified -- the world will change." [2]

The attitude to love and embrace resentful and bitter people does not only impact our own life in a very positive way, but it also moves God's providence forward.

Eventually it also impacts those resentful people, so that they become liberated from the prison of their hatred and resentment, and even might become people of true love themselves, also embracing resentful people.

True Parents have lived a life of forgiving, embracing and loving even enemies, and will always do so:

True Father: "The True Father and True Mother have committed their lives for the sake of their mission, for embracing the enemy world." [3]

And we are requested to do the same thing, certainly nothing less:

True Father: "I have devoted my entire life to practicing God's love. I have walked that course in the position of a true son of God. You have to pass through the same course. If we can be completely successful on that course, there will be no problem that we cannot solve." [4]

Godly love embraces everyone, no matter how resentful that person may be. And such a love has immense power. Using this power, we can all become happy and successful people, no matter what our circumstances may be right now.

Those who walk such a path, using the logic of true love, are the real peace makers in this conflict ridden world:

True Mother: "What is the path that humankind should take today? In the end, the problems afflicting humanity can only be resolved through the logic of love and the understanding that we are all one family under God. This is the teaching of true love with God at the center that my husband and I, as the True Parents, received from Heaven. We have championed and taught this precious truth throughout our lives. This ideal represents the path that will lead humanity to a world of everlasting peace and happiness." [5]

True Parents walked and walk such a path, Jesus went such a path, and blessed are those who join them, becoming the lights of divine love, becoming able to drive the forces of darkness from this planet, once and for all.

And again, we all have the potential to do it. The only thing that can stop us are limited concepts about ourselves. We have to throw such concepts out of the window, the sooner the better!

Love from Bruno
