

God can give you the best gift in the world! True Father

Anyonghaseyo, dear brothers and sisters!

Here again an inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim:

True Father: "God can give you the best gift in the world. It is to make each of you an ancestor of humankind, a true mother or true father. There is nothing higher. Even being a cabinet minister or the president of a nation does not match that. This is the greatest gift God can give you." [1]

God created human beings for greatness. After the fall of man the true greatness of man and woman could never be achieved. Now the True Parents opened the way for us to become true men and women in the image of God. That is indeed the greatest gift.

True Father: "When there are True Parents, there will naturally emerge true children, true families, true tribes, true nations and a true world. This is the importance of the name True Parents." [1]

There will even emerge people of the level of heart and love of True Parents. All of us are destined to become True Parents ourselves:

True Father: "Mother and I are not going to be the only True Parents. My goal is to make all of you true parents. It is the greatest honour that I can give to you." [2]

Indeed the greatest honour. True Father wants us to even become better than him. That is certainly not a joke:

True Father: "If you truly love me and truly want to follow me then you must become better men and women in the sight of God than I am. That's my wish. That means you can inherit 100 percent of what I have received from God. My foundation, tradition and blessing can all become yours." [3]

Truly loving God and True Parents means to make all effort to become like them, and that means to reach their quality of heart and love:

True Mother: "As we work toward opening of the Cheon Il Guk era, you must be able to find the perfected, original mind..." [4]

Aju! To "find" means, of course, to develop. It means to go forward in heart and love, all the time, making that our focus:

True Father: "You should make an effort to expand yourself and grow more like God every day." [5]

Growing like God means to inherit the quality of His heart and love. That certainly does not go automatically:

Sun Jin Nim: "Just because someone joins, works as a missionary, and gets blessed and has a family, it doesn't mean that perfection is readily achieved. Is any great achievement easily achieved? No, it takes practice, practice, practice.

We must apply the Principle with sincerity in every single conscious moment of our lives.... Only in this way, can we function at a world-class level. Only in this way will it be possible for all 7 billion people of the world to come to understand True Parents' teachings." [6]

Aju! As soon as we go forward in heart and love, reaching higher and higher qualities of love, people will be attracted. We need to show them True Parents, but not just by photos, books and videos:

True Father: "Each of you should be an individual through whom the True Parents are shown to others." [7]

If we become such people, who can demonstrate the true love of God to the world, then that will liberate the world:

True Father: "Liberation comes to our world only when you members truly represent God and the True Parents to the rest of the world." [8]

To do this we need to know clearly what our job is:

Heung Jin Nim: "It is your job to go forward, and this is not just an external responsibility; it is not just obedience to Father's latest project. It is going forward in your hearts..." [9]

If we do that we can achieve greatness, we can reach our destination. We can become true men and women, in the image of God. We can fulfill the ideal of creation, becoming the visible God ourselves:

True Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks [wants] you to be." [10]

Because only the people who relentlessly strive to become people who reflect God's heart and love in daily life, will make the real difference in the world. They will bring God into this world. The world of the heart can only be established by people becoming people of deep heart and love, the love of Jesus, the love of True Parents:

Heung Jin Nim: "Please change your attitude! Please change! Please become people of deep love, the love of Jesus, the love of True Parents!" [11]
