

True Father: You have to make true love your own

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

Sun Jin Nim: "If you are not perfect, it's OK, there is a growth period to all things. Just practice and study with more sincerity; do not doubt yourself; do not doubt others; have faith in all, and you will get there."
[1]

We all are at different levels of heart and love. Important, however, is, to not be stuck to that level. Important is to grow in heart and love fast to higher and higher levels all the time, and we can all do that:

Heung Jin Nim: "Brothers and sisters, don't be satisfied with the level that you are at. Please reach out every day for a new level." [2]

How do we get to higher levels of love? By practicing such higher levels of love, which means by practicing unconditional unchanging love and respect towards everyone we meet, without exception. This way we grow in heart:

True Father: "Live for the sake of others. Invest yourself with true love and forget what you have invested. Practice this and you will perfect yourself as the owner of love." [3]

We need to break down the barriers in our heart, rooting out self centered talk and thought. We have to watch and analyze ourselves all the time, learning from mistakes along the way, thus avoiding them next time. And we should not forget to ask True Father, Heung Jin Nim and Jesus for help on the path of developing our heart. Gradually we need to see a positive difference in our heart:

True Father: "You must seek after true love. You have to make true love your own. You have to witness the perfection of true love within your own life." [4]

Seeking after true love does not mean to try to receive love from others. It means to train ourselves internally, so that we become more and more able to love the way God does. If we do that, we can see ourselves growing in heart and love all the time. We become more and more like God, in terms of love:

True Father: "Your gradient of influence and power is based on how much you are growing. Ultimately you will become like the original center, like a sun which generates energy rather than the moon which reflects energy." [5]

By going this way our life becomes really exciting:

True Father: "As long as you are sure of yourself in loving God and mankind, then you will be totally intoxicated in this way of life and in this love... Once you stand on that ground... you will have spiritual strength and power that nothing under the sun can resist or obstruct. When your love and faith are that real then life truly becomes intoxicating." [5]
