

True Father: Unless I love everyone, I cannot represent God

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and Heung Jin Nim [in the spiritual world]:

True Father: "God will protect you every time when you give your heart. Even if you did not make a tangible result, if you always live with this kind of heart, then surely you will go near God." [1]

What does giving our heart mean:

True Father: "You have to look with heart, listen with heart, speak with heart, and act with heart. You must live with the destiny of heart." [2]

In every encounter with people we need to have the right attitude, the right heart. Our attitude should be based on heart and love. We need to make effort to invest love, heart, kindness and goodness in everyone we meet. That way we plant the seeds of love:

True Father: "Don't look at things selfishly, but with a desire to give love. Look upon a person who hates you with love, and eventually he/she will change. Begin sending out messages of love to those around. Pull out your old vision and replace it with "new eyeballs" of true love." [3]

We need to be guided by a desire to give love to everyone, even to the most disagreeable ones. And this desire should not depend on how people respond, what they think, what they do or have done.

Some people's heart is very hardened and full of resentment. They may not change, even if we invest love for a long period of time. They may not even see the love we invest. But even if they do not respond the way we wish, this should never make us give up our effort to invest heart and love.

If we want to establish God's and True Parents' tradition of love on this earth, our love must never stop. Otherwise we are not in line with true love, which gives endlessly and willingly, no matter what. Only if we willingly practice such a love that does not stop no matter what, then are we representing God:

True Father: "It would be normal for you to love only those who respond to you in love. But when you sacrificially give of your love to those who are hostile to you, you begin to reflect the real quality of God's own love. True love moves in this way. Its quality does not change regardless of the response of the people." [4]

True Father: "I have to love everyone, the good and the bad. Unless I love everyone, I cannot represent God." [5]

That, of course, applies to all of us as well. Practicing such a love means to establish the tradition of love. Without establishing such a tradition, the Kingdom of God cannot come:

True Father: "The true dispensation cannot appear on earth unless an individual, family, tribe and nation can practice the principle of loving their enemy. Until such a nation appears, you cannot talk about the Kingdom of God on earth." [6]

Establishing the tradition of true love will inspire God more than anything else:

True Father: "Only one promise can inspire God: "I have decided to be a sacrifice in order to establish the TRADITION OF YOUR LOVE..." Otherwise you have no true pride before God, even though you work hard witnessing and fundraising." [7]

Establishing the tradition of true love moves God and makes us happy people. The more we do it, the less it seems a sacrifice. It is rather an investment that brings immense fruit.

We can do many great activities etc. But if we do not have the right heart of true love, we do not make a lot of difference:

Heung Jin Nim: "If you don't have the right heart first, all the organization in the world won't make any difference. The heart is the most important thing, the heart. What is your heart? What is the content of your heart? What is the level and depth of your heart? What is the level and depth of embracing people and feeling responsible?" [8]
