

## Heung Jin Nim [in spiritual world]: The bright light of day is beginning to shine on this earth

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Mother: "You must become someone who shines a light, not only in this nation, not only in Asia, but throughout the world." [1]

True Father: " I humbly pray that You can bless them [the Unification members] to be the lights in the world of darkness, shining like the brightest suns, brave and strong like victorious generals ... " [2]

This world is indeed a very dark place, a place dark with hatred and resentment, with conflicts and fighting, based on fallen nature. This is a world lacking true love.

However, the time has come for change:

Heung Jin Nim: "The bright light of day is beginning to shine on this earth." [3]

And this bright light is not only coming from True Parents, but from each one of us:

Heung Jin Nim: "And that light will shine through each one of you. You are the champions of the new age." [3]

Heung Jin Nim is referring to the new age of the heart:

Heung Jin Nim: "I am the sign of a new age. I am the beginning of a new age of heart. But the central player is yourself. It is yourself." [4]

The age of heart and true love has already begun, in the midst of this dark and cold world. And we are the central players. Our central mission is to become true sons and daughters of God:

Heung Jin Nim: "Please, don't turn me into a god that you would worship. I am the first of the second generation... But I want you to join me. Each of us are to become as gods. God's sons and daughters. To inherit fully, through our True Parents." [4]

We are to inherit the heart and true love of our True Parents. That is what will change the world indeed:

Heung Jin Nim: "Never forget that. It is not what you know that is going to change this world. It is what you can become as a man and a woman following our True Parents... They want you to inherit their very heart." [4]

We might think that we fall short, are not enough, can never make it or whatever. Heung Jin Nim however sees our true potential:

Heung Jin Nim: "Even when you have been through the darkest night, you will see the sun come up. I see the sun in your heart. I see the sun in you. You may not see it in me, but I see it in you. You are my hope. Please, please do not let our True Parents down!" [4]

We are the hope of God, True Parents, Heung Jin Nim and all ages:

Sun Jin Nim: "You are the light of the world, the hope of all the ages. Please let us go forward in confidence. Let us build the culture of heart, the world of true love, one family under God that Heaven has longed to achieve." [5]

We can indeed achieve what Heaven has waited for. We can light up this world:

True Mother: " Ladies and gentlemen, here today, I hope that all of you unite with me and become sparks that light up this dark world and guide people to God's bosom. God Bless America!" [6]

To achieve this we have to advance in heart and love, becoming true sons and daughters of God and True Parents:

True Father: "When you become a man [woman] of greater love then you can ring a greater bell of love, and in looking down from Heaven God will see that your light is the biggest and brightest. Such a light is far more beautiful than any diamond because it shines with all living colors. " [7]

Such light of love will drive away all the forces of darkness and will bring about the ideal world of God. We all are called to shine such light, using all our potential that may still be hidden in our heart. The time has come to realize who we really are, who we are meant to be, and then make that our reality, step by step.

Love from Bruno
