

Heung Jin Nim [in the spiritual world]: The life that you have been experiencing is not real life

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "In order to make God abide in you forever, you must make Satan surrender and you must become the eternal and unchanging self. You have not reached that level yet. In order to be in that position, you must inherit the standard and victory Father accomplished." [1]

As long as we are subject to fallen nature, Satan can manipulate and use us. But the more our heart and love grow, Satan loses his grip on us.

Therefore he is desperate to stop us from going forward in our heart. He tries to distract us from it by all means. He keeps telling us that only few very special people can reach much higher levels of heart, and that all others are too impure and unworthy, too far away from God, too big sinners, to ever be able to get rid of fallen nature and reach higher and higher levels of heart.

If we believe this, we will not even begin to make conscious effort to grow in heart and love. We will give up before we even start. We will never use our potential of heart, because we do not believe in ourselves, have no hope for ourselves. Exactly this is what Satan wants. He likes it.

So we need to watch out and not listen to Satan's lies:

Heung Jin Nim: "Satan is a liar. He's the master of lies. How can anyone believe those lies with the truth of God among us? Satan has been lying to individuals about themselves... But what we must do is believe in God, believe in our True Parents believe in me." [2]

We need to believe in those who know who we are and want us to use our potential:

True Father: "Living in the image of God means having God's words becoming your words and God's love become your love. That is your first goal." [3]

True Mother: "It is God's wish and dream [for you] to become humankind's visible True Parents." [4]

Sun Jin Nim: "Each individual needs to connect their heart and mind to God's wave length. Only then can we settle Cheon Il Guk." [5]

We all have the potential to resonate with the heart of God.

Heung Jin Nim: "This life that you have been experiencing is not real life. You can't see clearly from the spiritual perspective. You are such incredible people. You haven't even scratched the surface of the Principle of Creation about who you are... Heavenly Father made you in His image. Oh, you don't know what that is..."

I want to help you. Oh, I want to help you understand who you are.... You are far greater than you realize. Please try to throw away your concepts of yourself and listen to the Divine Principle. Listen to what our Father and Mother are trying to tell you. Listen to your own heart...

Every one of you can go forth and save a whole country. You just need to grow up a little bit. That's all. The time has come for your potential to be realized, for the full spiritual power to be unleashed on this earth." [6]

And Heung Jin Nim certainly wants to help us with growing up. But we have to ask him to do that. He will not impose himself but wait until we ask him:

Heung Jin Nim: "I cannot force my way in. The highest realms of spirit do not deal in domination. They do not deal in taking over. The highest realm of spirit deals in loving and harmonious cooperation. I need your cooperation, brothers and sisters. I need it so desperately." [7]

Heung Jin Nim: "Grab my hand. It may not be fleshy and bony and have hair on the back, but I want to tell you it's as substantial and a more substantial hand than the one you're holding right now. Substantial in spirit, substantial in victory. Take that hand and believe in it and go forward!" [8]
