Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "If you become people with the character that views all people as your parents, brothers and sisters and children, then you will shed tears for any person being harassed in the world of death... When you become such people, you will be at the center of building the kingdom of heaven on earth." [1]

All people in the world are the beloved children of God, and therefore we need to see them as such. We need to see them as part of God's family. All the divisions, barriers and conflicts between people in this world are rooted in the fallen lineage and in fallen nature..

True love loves everyone, no matter who that person is. The more we develop true love in ourselves, the more we get closer to the heart of God. Then we can love all people as members of our own family:

True Mother: "As we each develop and practice a parental point of view toward all people and all things, the world begins to change. We see others in a new light, as brothers and sisters, and family members. We cannot think of abusing or taking advantage of members of our own family. The closer we come to the heart of God, the more we come to understand the heart of a True Parent." [2]

Sun Jin Nim: "If we look at the state of the world today with the crises of the planet, global economic difficulties, and inter-religious strife, we know that the world urgently needs True Parents' true love and blessing; now more than ever. Only through True Parents and the heart of true parental love can we establish world peace and one Family under God." [3]

True Father: "If you want to become a son/daughter of God you have to resemble God's heart. Since God's heart is planted in the world, you have to love the people of the world." [4]

Heung Jin Nim: " Our Father has completely dedicated every ounce of his energy to giving true life to everyone that he meets. Not just the members of the Unification Church, but Father wants to give true life to every person. He doesn't make any distinction in membership. He loves this whole world. He loves every person in it, just as God does. You must feel the same. You must take that kind of heart. People are not inside and outside. People are children of God. They all have a destiny of true life. By the fact that they were born, they deserve true life." [5]
