Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim:

True Mother: "Let us constantly strive to spread true love. Let us sow the seeds of true love throughout our lives." [1]

There is nothing more important in our lives than to be a channel for the true love of God at all times:

True Father: "The more you do as a channel of God's love, the more you will inherit." [2]

God needs people who channel His love into this world, because, with regards to true love, this world is a desert:

Heung Jin Nim: "America is starving, starving, starving for true love. Satan has given his filthy counterfeit. Everyone uses this word, they profaned it and defiled it "love", and only they mean selfishness, greed and lust. They do not know what love is. But you must be the teachers of love." [3]

In order to be teachers of true love, we have to know true love. We need to embody it. We need to transform ourselves:

Heung Jin Nim: "What I am interested in is to see you transformed, I want to see you reborn. And I want to see you bring that rebirth to America. As America is reborn, the world will be reborn. As America finds new life within our own church, the Unification Church. We are called Unification, meaning one, yet we are very broken up. We do not know love...; how can we teach, how can we teach others to love? We must love, we must learn to love." [3]

We must become great "bells of love", just as True Parents are:

True Father: "Let us become a bell of love which can resound throughout the universe. When the sound of the bell of love reaches the hospital it will liberate the patients into restoration. Then they can be discharged and become bells of love themselves, bells whose ringing will save more people. Your bell will bring resurrection, and then those people can do the same." [2]

Some may think we are just stuck to the level of love that we are at. God, True Parents and Heung Jin Nim as well as Jesus, however, want us to know that our potential is huge:

Heung Jin Nim: "Your capacity to love is far greater than you know, far greater than you dream. You do not even know, you are little thimbles now, you can only hold a drop or two and you think you are full. It's not enough to even wash out your eye. But when you learn to love truly, you will be vaster than the ocean. You will go into eternity, your love will go on forever. You will become measureless." [3]

How do we do this?

Sun Jin Nim: "Is any great achievement easily achieved? No, it takes practice, practice, practice. We must apply the Principle with sincerity in every single conscious moment of our lives, as individuals and as families. Only in this way, can we function at a world-class level. Only in this way will it be possible for all 7 billion people of the world to come to understand True Parents' teachings." [4]

At the same time we need to ask True Father, Jesus and Heung Jin Nim to transform our hearts, to give us education of heart:

Heung Jin Nim: "I want you to know that I have come here to guide you in the ways of love of the True Parents. I have come here to take you by the hand and as I said also by the heart to the heart of our True Parents. Many times you feel you can't do it, but if you can open up your heart and if you can have that faith to open up your heart and let me come to you then I can lead you to that love." [5]

The more we transform our hearts, the more we become the heroes of this age:

True Mother: "Please be the heroes of this noble task -- one unified world of peace is really not so far away. By practicing true love and living for the sake of others we build the heavenly kingdom on earth." [6]
