Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "My life has been one of forgiving and embracing others. That is how I eliminated hell in the spirit world." [1]

Loving and embracing even unlovable people is very powerful. It makes a big difference. It changes the world. It will bring about God's ideal world:

True Father: "When people oppose me, I take the attitude that they do so because I could not carry out what I wanted to do and give them more love. Because I could not achieve what I had pledged... they persecute me so loudly. But I love them even though I am persecuted. When I do this, the world changes." [2]

It is not only True Parents and Jesus, who can make a big difference by loving the way God does. We are supposed to do the same, so that the world changes:

True Father: "If you put yourself in the position of God or Jesus -- trusting persons while they betray you, loving persons when they don't deserve it, wanting to live and care for those persons while they are not qualified -- the world will change." [3]

As soon as we go on the road of embracing and forgiving people who are unlovable and unforgivable, we will experience big blessings from God:

True Mother: "My husband and I have forgiven the unforgivable and, for the sake of humanity, loved enemies unlovable... No matter how unjust the persecution we receive, we do not blame anyone, rather we love them. When we overcame ordeals in this manner, blessings that we could not even imagine took place." [4]

True Mother: "We must live a life of forgiveness.... When you forgive the sins of others, amazing blessings are given to us from Heaven." [5]

We all have the potential in our heart to act like True Parents did and do. We just have to train ourselves day by day, asking True Father, Jesus and Heung Jin Nim to help us along the way.

Our potential is huge beyond description:

Heung Jin Nim: "Your capacity to love is far greater than you know, far greater than you dream." [6]

God's Kingdom/Queendom will be established by the power of our love:

True Father: "We are still waging war, but using True Love as our only weapon. When you become the embodiment of True Love, the entire world shall be conquered. Satan fears the power of True Love, because nothing can prevail against us." [7]

We have to realize how true this is and strive to become embodiments of the love of God and True Parents:

Sun Jin Nim: "Be the hope you want to see in the world .... Win the crown of glory. Cultivate the heart, the love. Love your enemy, rise above, and change it for good. Glory is the living embodiment of love on earth, the highest level of love we can achieve. That is your legacy because that is what True Parents did." [8]
