Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "You must go and find the way to true love. I am the forerunner along this way and you are following. Do you think you can go your own way or the way that you like in order to find the treasure?"

Do you think it is necessary to make a great amount of noise or put on a great show for other people? What do you think? No, you don't need any cheerleaders around you. This is a path which you have to go all by yourself. It is an internal path which is very lonely at times. But knowing that you are moving toward the greatest treasure, you can have the greatest satisfaction going this way." [1]

The most important thing in our life is to develop our heart and love. How much? To the level of God's love. We are requested to inherit God's heart, including His dream of the ideal

world.. True Parents have inherited God's heart and dream, and most certainly they are waiting for us to get there, too, as soon as possible.

This is God's and True Parents' hope for all of us:

True Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks [wants] you to be." [2]

True Mother: "It is God's wish and dream (for you) to become humankind's visible True Parents." [3]

Sun Jin Nim: "She [True Mother] is calling upon all of us to arise as champions of peace, to become manifestations of Heavenly Parent's love and truth so that together we can usher in a new world of lasting peace and prosperity for the whole human family and creation." [4]

True Father: "You must seek after true love. You have to make true love your own. You have to witness the perfection of true love within your own life." [5]

We cannot expect to perfect our love in a few days. This, however, does not mean that we cannot advance in heart. We can definitely grow in heart and love every day, if we are serious about it and keep

challenging ourselves internally. Then we can reach higher and higher levels. The great thing is that everyone can do this. Everyone has a huge potential for inner development.

We need to break down the barriers of love and heart that try to hold us back. This is the way to make true love our own. It is a very internal path, challenging at times, but very rewarding at the same time. To advance in heart is our real job:

Heung Jin Nim: "It hurts my heart to see how locked in our people are. In so many ways. Many times you think that the providence is going forward because Father's projects are going forward and Father, he is going forward. And you are working hard, whatever your job be, your mission -- you have to understand something. That going forward at this time... means going forward in your heart,..," [6]

In whatever we do, we need to go forward in our heart and love. This must be our constant priority:

Heung Jin Nim: "If you don't have the right heart first, all the organization in the world won't make any difference. The heart is the most important thing, the heart. What is your heart? What is the content of your heart? What is the level and depth of your heart? What is the level and depth of embracing people and feeling responsible?" [7]

Heart and love are indeed the key. As we develop our heart and love, God comes into the picture. And we will see miracles unfolding in front of our eyes:

Heung Jin Nim: "You must grow quickly. Incredible things are possible. Your heart is the key. Imagine your heart, peel the layers off of your heart quickly." [8]

Things that so far we thought are impossible, will happen. The Kingdom of God will emerge fast, based on us bringing our inner potential to full fruition.
