

Heung Jin Nim [in the spiritual world]: You cannot imagine what will take place if North and South Korea can be united

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of Heung Jin Nim [in the spiritual world]:

Heung Jin Nim: "You will emerge as a true son, a true daughter, and you will be a messiah for this world. You can do it now. I can help you, but you can do it! Ask for my help, and it will be given. If you don't know what to ask for, ask me what to ask for, and I will tell you." [1]

Heung Jin Nim wants to help us so that we can do much more for God's providence:

Heung Jin Nim: "Put on your armour of truth. Heung Jin Nim and Jesus are giving you this armour for free. But you are so suspicious of us. Our only request is that you can unite with us, Jesus and me. We want so much to help you, so that you can support True Parents more, and in doing you will be bringing the greatest joy to God.

Why do you hesitate? Why do you doubt? We, Jesus and I, want so much to not just liberate you but liberate all of mankind and all the spiritual world. Your brothers and sisters in the spirit world, those who have been following True Parents, want so much that you can make the most of your own lives on this earth.

My brethren, let me guide you. I will never deceive you. I will never deceive or lead you astray! I will

never do anything to hurt you. I want you however to grow, mature and become parents who can also be ignited with the love of God." [2]

If we do not invite Heung Jin Nim and Jesus into our heart, they cannot come to help us:

Heung Jin Nim: " Please call us. Please, so we can come and help you. But if you don't call us, there is a spiritual barrier that we can't get through." [3]

If we call Heung Jin Nim and Jesus, then incredible things will happen in the world:

Heung Jin Nim: "Once you can begin calling on us, then your mind-body problem can be resolved. And as more brothers and sisters really connect like this, it allows the spiritual power of heaven to come and work on this earth more and more. It allows the spiritual world to become stronger and stronger. And it can mobilize more and more spirits to fight this battle to solve this problem and bring the unification of Korea.

This is the great battle that needs to be fought now. You cannot imagine what will take place if North and South Korea can be united. If all the Korean people become one centered on God, there will be a spiritual barrier around this country that no evil spirit could penetrate. This land will become the Kingdom of Heaven on earth. The whole country will be as holy as this Won Jun. And all of you can come here and all of your fallen nature can be solved so easily because there will be no evil spirits, only heavenly spirits around you.

And from Korea, one nation centered on God, all of us praying together can mobilize such a force we can send it to any nation on earth and just demolish the evil spirits there. We can blast the evil spirits completely out of a whole nation. You won't believe the power if we liberate one nation. True Father is giving all his energy to unite North and South Korea. Father would sacrifice our whole movement, everything, to unite North and South Korea. To save the world, he would give anything." [4]

Not only do we need to call Heung Jin Nim and Jesus. We also need to call True Father to come and help us. True Father, Heung Jin Nim and Jesus will not do our job, but they will support, guide and teach us, so that we can make a much bigger difference:

Heung Jin Nim: "...a smart person, a responsible person, seeks the help that he/she needs to do the job that he/she says he/she will do." [5]
