

True Father: Heaven is waiting in anticipation

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "You have to invest more heart than parents, husbands, wives, sons and daughters of the satanic world, centering on true love of recreation." [1]

Heart and love are the key to restore the world as well as to restore ourselves. Therefore we need to strive to become people, people with a deep heart who can love and embrace people the way God does:

True Father: "Heaven is waiting in anticipation. It does not want gold, silver, precious gems, or pearls of the world. You should know that heaven only wants a person who can love and embrace all the world with heart, heart, and more heart." [2]

To become such people is the destiny of all of us:

True Father: "You have to look with heart, listen with heart, speak with heart, and act with heart. You must live with the destiny of heart." [2]

Only in this way the culture of heart can be established in the world:. Our hearts have to resonate with God and True Parents:

True Mother: "Our original mind needs to resonate with Heaven and then the culture of heart will be realized." [3]

As we cultivate and develop a True Parents' heart in ourselves, we become true peace makers:

True Mother: "A person who has cultivated a True Parent's heart and a True Teacher's heart is a true Peacemaker." [4]

By becoming true peace makers we can establish God's Kingdom, the kingdom of peace and love:

True Father: "If we can unite and fulfill the way of embracing, forgiving and loving, then the Era After the Coming of Heaven will be the literal Peace Kingdom, where all attend the True Parents and peace and prosperity reigns." [5]

All of us can do this. We all have so much potential of heart in ourselves. We just have to go forward on the path of developing our heart day by day. There is nothing more precious than this:

True Father: "To pioneer heavenly heart is the path of those who walk the path of paths." [6]
