Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin N [in the spiritual world]:

True Father: "A true Unification Church member is a person who has a key that can destroy satanic love on the individual level, the family level, national level and worldwide level. In other words, they should have a key of heavenly love that can throw out satanic love." [1]

The fallen world we are living in is full of selfishness. People speak about love everywhere, but what they mean has nothing to do with true love:

Heung Jin Nim: " America is starving, starving, starving for true love. Satan has given his filthy counterfeit. Everyone uses this word, they profaned it and defiled it "love" and only they mean selfishness, greed and lust. They do not know what love is." [2]

Certainly not only America, but the whole world is starving for true love. The spiritual starvation that we see in this world has to come to an end for God's Kingdom to emerge. The world has to be filled with

true.love. Who will do this job?

True Mother: "My message today for you is to become water that spreads out the true love of our Heavenly Parent and the True Parents of Heaven, Earth and Humankind." [3]

All of us are called to become channels for the true love of God and True Parents. This love is rooted in the true, original lineage, God's lineage, that we joined or can join through the Holy Blessing. And this love has to grow and grow by us exercising our heart day by day, making all the effort to love the way God loves.

By us spreading the Holy Blessing of God and developing our heart at the same time, we can have a tremendous impact on this world.

If we need help in all this, we can call on True Father, Heung Jin Nim and Jesus. We also should ask them to help with important providential matters. One of the most urgent matters is the unification of Korea.

The more we ask True Father, Heung Jin Nim and Jesus for help with this and with other matters, the more they are free to work incredible miracles all over the world. Things will happen soon that at the moment nobody dares to even dream of. It is all in our hands. We can make it possible.

Love from Bruno
