Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks [wants] you to be." [1]

God's and True Parents' desire is for us to become like them, to become True Parents ourselves:

True Mother: "It is God's wish and dream (for you) to become humankind's visible True Parents." [2]

We need to reach the point that our heart resonates with Heaven:

True Mother: Our original mind needs to resonate with Heaven and then the culture of heart will be

realized." [3]

Heung Jin Nim wants to help us to reach a greater spirit:

Heung Jin Nim: "It's very very essential that when you hear my words and we communicate together, that what we share is more than anything else a communion of spirit and heart, and that you experience in your heart -- on a day to day basis, through your constant communication [with Heung Jin Nim] -- a liberation of heart and a deeper sensation of an experience of the love of God for you and love for others.

Otherwise actually we are not really progressing as Heavenly Father desires. I really want you to feel this.

This is something that cannot be communicated very easily in words. It requires your own prayer and not just a voice coming to you through a channel, but requires my voice coming to you in your heart. Really it requires this constant attitude of filial piety before Heaven and a willingness to receive a greater spirit." [4]

We need to call upon True Father, Jesus and Heung Jin Nim so that they can reach us in our heart and guide us to higher levels of love:

Heung Jin Nim: "I understand your troubles. I understand your difficulties and I can really be the one to take your hand and guide you to a deeper and deeper understanding of heart and love." [4]

Love from Bruno
