Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "Those who love more, invest more, who give more and forget what they have given, will become central figures. This is cosmic law." [1]

To become such central people, we need to grow in heart:

True Mother: "You need to grow internally and then reach a position in which you can lead the external world." [16.7.16]

The more we grow internally, the more God will support us, and we can become more and more influential in the nation and the world:

True Father: "God will always raise up those who are on the side of true love, bringing them higher and higher, while those who are on the side of false love will diminish below God's domain." [2]

If we stay on the side of true love, we can change the world. We should not underestimate who we can become as long as we are on the side of true love. If we stay on the side of true love, world peace will start with us:

Sun Jin Nim: "Do not think that you are too young or that you don't have the ability to change the world. Remember that what you think becomes your reality. So do not limit your mind, body, heart and soul. As a son or daughter of Heavenly Parent you share in God's infinite priority, goodness, vitality and unlimited life potential. Do not block your heart. Liberate your heart. Liberate your soul. Liberate your true self. Liberate yourselves to the power of true love. Then peace will start with you." [Vimeo.com/275377046]

To be on the side of love means to keep growing in love all the time. We should never be satisfied with the level we are at:

Heung Jin Nim: "Brothers and sisters, don't be satisfied with the level that you're at. Please reach out every day for a new level!" [4]
