Anyonghaseyo, dear brothers and sisters!

Hee again some inspiration, based on the words of Heung Jin Nim [in the spiritual world]:

Heung Jin Nim: "I will teach you how to love. I am the professor of love. I will teach you how to love. If you ask me, I will teach you. But if you do not ask, I will not come." [1]

If we want the help and support of Heung Jin Nim, we need to invite him. That applies to True Father and Jesus as well. They cannot come and help us if we do not invite them. Here is why:

Heung Jin Nim: "I cannot force my way in. The highest realms of spirit do not deal in domination. They do not deal in taking over. The highest realm of spirit deals in loving and harmonious cooperation. I need your cooperation, brothers and sisters. I need it so desperately." [2]

Not only do we need the help of True Father, Heung Jin Nim and Jesus. They also need OUR help. They need our help desperately.

How can we help them? By inviting them to come, help and guide us. They need our cooperation, as we need theirs. They need us to work through, and we need their help to be successful. It is a two way thing. It is all about harmonious cooperation.

What is the purpose of this cooperation? That, with their help, we learn to love the way they do, and that national and world wide restoration can be achieved. With other words, that the Kingdom of God can come fast.
