

## True Father: The twenty-first century will be the era of True Parents

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "You must become the head of the family that loves the world's people as true parents with God's true love." [1]

We all are requested to become True Parents, being able to love all people of the world the way God and True Parents do. True Parents will not be the only True Parents forever:

True Father: "Mother and I are not going to be the only True Parents. My goal is to make all of you true parents. It is the greatest honor that I can give to you." [2]

Of course, True Parents cannot just "make" us into True Parents. It is our job to develop our heart and love to perfection:

True Father: "The twenty-first century will be the era of True Parents, the era when people will mature spiritually through the development of heart, to the point that everyone will become true parents." [3]

True Father: "We should embody true love and practice it in order to develop our character. This is the way each of us can become true parents." [4]

If we do this, then God's dream will become a reality:

True Mother: "It is God's wish and dream (for you) to become humankind's visible True Parents."  
[23.9.17 in Cheong Pyeong]

In the world, that God has envisioned, everyone becomes a visible God.

Love from Bruno
