

True Father: Unless you become a king [queen] of heart you cannot be a king [queen] of power

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Only the person who possesses the love of God can have the privilege of inheriting the authority of heaven and earth, which were created by God." [1]

True authority comes from heart and love:

True Father: "Live for the sake of others. Invest yourself with true love and forget what you have invested. Practice this and you will perfect yourself as the owner of love. You will gain the authority of a subject in relating to others, and they will willingly submit to you in response." [2]

True Mother: "True love can serve as the basis for conquering even hell. When you come to possess true love, all sorrows and pains transform into joy within that true love. In other words, true love is the desire of the original nature of humankind, which remains as an absolute authority that is greater than any authority asserted through power, knowledge or money." [3]

True Father: "When you enter into a relationship of true love with God, you will be given absolute authority to have dominion, ownership, and the right of inheritance." [4]

If we do not become kings and queens of heart and true love, we cannot have true authority and power:

True Father: "The king [queen] of heart is the king [queen] of authority." [5]

We all have the potential and destination to become kings and queens of heart and true love. In the world that God is planning, everyone is a king or queen of true love and heart.
