Agenda Item #3: Michael Balcomb sharing

Discussion:

1. Discussed Lovin' Life Pastors' going in transition over the next year to being fully funded by local communities. National HQ needs a commitment from local communities to take over payroll for existing LLM pastors.

2. Foundations Day preparations are need to make it a memorable event locally. Each community needs to prepare the event with or without a simultaneous feed from Korea in case of tech problems. Some ideas- from the events in Korea- are to provide a scarf, take home cake, souvenir photos, bottle for holy wine holy salt, games, dancing, musical performances, gift bag, child care, food. Good idea to remind everyone to wear new clothes, at least something new.
3. Take council meetings on the road like a District level town hall meeting, even away from the main area. Recommend each church have a financial committee. Especially important is to have subcommittees to make decisions and take actions.
