

Dear Brothers and Sisters,

March 25, 2020

Akemi and I pray that you are all in good health and managing well. As challenging as these times are, I think we all see new possibilities and are compelled to be more creative. God has given us the time to “retool” and be ready to dash forward better prepared than ever.

Last night I was on a ZOOM call (this has taken the place of conference rooms and coffee shops!) Our Sub Region HTM coordinators from each District were on the call. These are amazing people who have been working very, very hard to help us understand what we need to do to be registered in Cheonbo Won. They take this on as a work of love recognizing how much True Mother longs for all of us to join True Parents there.

The first step for all of us is to “Proclaim!” Proclaim our intentions to complete the conditions to enter Cheonbo in September. Our Mother wants all of her children to be there. So let us Proclaim! Don't worry, don't overthink, just act.

Everyone needs to do this even if you proclaimed already or submitted everything as Accomplishers or Victors.

How to Proclaim - You need to be registered on Tribenet. You do not need a paid premium membership. Just sign up for the free account. Next step, is to log on and you will see this:

Click **Proclaim Here**, answer a few easy questions and you are one your way!

Tribenet will guide you on the next steps to take after “proclaiming”.

Our HTM Team

You have a wonderful team of proven and dedicated people who will help you make it the rest of the way.

Stephen Child is our SR5 Coordinator, Michael Allen is District 11, Mike and Mariane Irwin are District 12, Keiko Nakama is Hawaii and David Roberts is District 10.

David Roberts will also be working as the Cheobo Specialist. From April through August, his job is to be there for you; to guide you from where you are to where you need to be next and all the way to Cheonbo Won. Of course, the rest of the team is also there for you but David will be available at regular hours. More details will be coming very shortly.

Reach David here: 253-693-8860 or SR5Tribe@gmail.com

You and your families are precious beyond measure. As one little kid once said, "God don't make no junk!" All of God's creation, hope and intention are for us. We struggle to see that but True Parents see it all the time. They see through God's heart. So should we.

God Bless you all. Be safe.
With Love and Appreciation

Larry and Akemi Krishnek

True Mother has permitted the extension of the time period within which members can liberate and bless their ancestors by the accelerated rate.

Extended period: Starting from the 2-day workshop on 15th February 2020, until the Special Great Works to be held on 8th anniversary of True Father's Holy Ascension on 4th September

Ancestor Liberation: When you apply for the liberation of generations 1~ 210 you can at the same time apply for the liberation of generations 211~ 430. This is done by marking the boxes 211 - 430.

Ancestor Blessing: members can apply to bless ancestors 100 days after completing their liberation.

1) To complete the Blessing of 430 generations of ancestors by the anniversary of True Father's Holy Ascension in 2020:

a) Members must accomplish the liberation of all 430 generations of ancestors by the workshop to be held from 2nd – 3rd May.

b) Members must complete the Blessing of all 430 generations by the workshop to be held from 15th – 16th August. This will leave enough time for the staff to process the administrative details.
