Dear Blessed Families,

We would like to inform you about the upcoming Blessing in 2014. It has already been announced that around the anniversary of Foundation Day in early February 2014 there will be a Blessing in Korea. This Blessing will be open to all matched 1st and 2nd Generation couples and will also include a matching by True Mother for 2nd Generation CIG-Standard candidates. Information regarding those candidates who wish to be matched by True Parents:

Please make sure to complete your Blessing Application in time and register with the European Second Generation Blessing Department. Only candidates who complete the application in time and qualify for True Parents matching will be able to participate in True Parents matching.
