Dear Blessed Families,

As you know there are also Parents Matching Convocations for Second Generation in other continents. These are opportunities for you to display profiles of Second Generation Matching candidates.

Upcoming we have:

- Parents Matching Convocation in the Sao Paolo, Brazil (August 16-18. 2013)

If you wish to display your child's profile at this convocation, please inform Orlande Schenk.

In order to display your profile you have several options.

1. Best is if your candidate is registered on the International Matching website (www.bcmatching.org) make sure your profile is updated and inform us of your desire to display his/her profile. We can then print your profile from the website and display it.
2. If you are not registered on the international matching website, you can use the opportunity to register your candidate on the website and his/her profile can be printed from there.
3. If you completed the Blessing Application, we can also send copies of your Blessing Application (only pictures, Application Form and Family Introduction Form) to the Blessed Family Department of the region to display.
4. You can also hand in your own materials, pictures, letters, information, etc. and we will scan and send it to the Blessed Family Department of the region. Please make sure to include pictures, contact information and basic data (Name, Birthday, etc...).

In addition, we advise you to fill out the attached questionnaire for matching candidates and send it to us. Please send all information by August 12, at the latest, so that we can forward it in time for the convocation.

Please feel free to contact us about any questions or issues related to the Parents Matching Convocations. We wish you God's guidance and blessing in the matching process and hope that these opportunities will help you reach out to other Blessed Families.

Yours sincerely,

Geros Kunkel
