

Please, Inherit FFWPU Scotland's 30 Foot Inshore Motor Boat

Oliver Lane
June 9, 2018

We have in Scotland a 30 ft inshore boat that is desperately in need of some care and attention.

Regrettably, it has been open to the elements for a number of years and even the motor is damaged.

We do not really have the manpower or the resources to restore it. If there is anyone in the UM family that would be interested in inheriting it (at no cost) and taking on the challenge of restoring this boat please contact me Oliver Lane at oliver.lane@btinternet.com
