August 26th at 7:30am began the first day of the Hyojeong Chung Pyung Great Works Commemorating the 6th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth, and Humankind. The Opening Ceremony was held at the Cheongseong Wanglim Palace in magnificent style. There were over 20,000 applicants, the most since the beginning of the Chung Pyung Works. The Opening Ceremony began with Rev. Gi-seong Lee (The president of the FFWPU for a Heavenly Korea and Chung Pyung Heaven and Earth Training Center), reading the Divine Principle (Hoon Dok Hae):

"Fallen people cannot see the Kingdom of God unless they are first born anew, as children without original sin. We cannot be born without parents; a father alone cannot give birth to children. There must be a True Mother, as well as a True Father, for fallen children to be reborn as good children. The Holy Spirit came as the True Mother. (Exposition of the Divine Principle, pp 169-170, 2006)

President Rev. Gi-seong Lee then conveyed the following message on the topic, "The Era of the Substantial Holy Spirit."

"No matter how good man is, he cannot have a son or a daughter unless he meets his wife. Even though the man is the only begotten Son, he needs to meet the only begotten Daughter. Jesus promised his second coming. Even though he was the only begotten Son, he could not complete the work of rebirth because he didn't meet the only begotten Daughter. When we understand and

attend True Mother as the substantial Holy Spirit and Truth, wonderful miracles will happen to us.

"On December 15, 2017, True Mother started the Family Federation for a Heavenly Korea. Looking back to the first six months of 2018, we can see big changes that happened at the Chung Pyung Heaven and Earth Training Center. In 2015, 95,000 people applied and attended. In 2016, 125,000 people applied and attended. This year's projection is 210,000. Including the 20,000 applicants for this festival, I believe we have reached over 150,000 so far this year. It's the wonderful works of Grace in action!

"Since Korea became Heavenly Korea, True Mother has said that we should go together with Chung Pyung. We conducted the Chung Pyung Works in-the-field and there were 63,230 attendees from 21 regions and districts.

"When we conduct the Chung Pyung works in the field, there is never an empty seat during the chanyang sessions; it's completely full. We had to take out all the chairs; participants filled the chapels, halls, hallways and restaurants.

"Everything is done in three stages. Adam, the second Adam, and the third Adam. You know who they are. As the Second Coming, True Father is the only begotten Son. Jesus appeared in the form of the Substantial Heavenly Father. True Mother came as the only begotten Daughter and has become the True Mother. She has completed the works of the substantial Holy Spirit by substantializing the Heavenly Mother. If we unite with True Father in Heaven and True Mother on Earth, we can only be victorious."
