At 9.30 pm on the first day (Aug. 26) of the Great Works, the Fulfillment of Wishes Prayer was held at the main hall of the Cheonseong Wanglim Palace where True Parents offered a lot of sincere devotion.

The Fulfillment of Wishes Prayer is grace that our True Parents have opened for us.

When we stand in the position of having absolute faith, absolute love, absolute obedience there is also grace to fulfill any kind of wish.

Living one in heart, one in body, one in mindset, and one in harmony, enhances the Hyojeong Offering Paper, when offered to Heavenly Parent.

Then we are qualified to be directly governed by Heaven. The Hyojeong Offering Paper plays a role in moving our ancestors who have become absolute good spirits.

Offering a Hyojeong Paper creates a condition for ancestors to protect families who are happily setting conditions of sincerity.

A special prayer room prayer was held in the morning of the first day and in the afternoon of the third day.
