On April 6 and 7, the Hyojeong CheonBo Nigeria Special Event was held in Abuja City of Nigeria, with 290 participants. Many participants experienced spiritual works while doing chanyang and formed a deep connection with the spirit world and the CheonBo Providence.

On Saturday after the first chanyang session, A.F., who was a blessed family, shared a testimony by saying: "I was surprised at what has happened to me because, many years ago, I had an accident and hit my head on the ground and since then I have been having headache but during the chanyang, when Rev. Chung removed the evil spirits in my head, it's was like stone that was dropping on her Head. Since then the headache disappeared. I am very thankful to God for this grace of attending."
