In the past two weeks, there are 12 Heavenly Tribal Messiah blessing ceremonies from 23 April to 5 May in the communities of Yilan, Taoyuan, Taichung, Tainan, Kaohsiung, Pingtung and Hsinchuang. We totally blessed 300 couples. Since the promotion of community blessing activities as the title of "Happy Taiwan" or "Give Blessing to Your Home", through the loving experienced activities for couples, combined with the marriage blessing lectures, and then held the blessing ceremony, many parliamentarians, township heads, and local leaders welcome the blessing activity. We cannot only build relationship with local leaders and even Legislators, but also makes the residents of the community aware of "True Family Concept" of FFWPU and receive blessing.

In particular, In 4 May, the blessing ceremony in Kaohsiung was held by a blessed family who had been a Heavenly Tribal Messiah victor through doing Heavenly Tribal Messiah in other country. The couple worked hard to hold a Heavenly Tribal Messiah blessing ceremony in husband's hometown, and got their parental approval and strong assistance in the invitation. Among the 22 participating couples, 16 couples are willing to complete the follow-up 40-day separation and 3-day ceremony, this blessing is biggest event of this community and makes all participants moved and joyful.
