The Ancestor Liberation Ceremony for generations 1–430 and the Ancestor Blessing Ceremony for generations 1–378, were held with great grace in the morning of the third day of the Great Works at the main hall and the small hall of the Cheonseong Wanglim Palace. President Gi-seong Lee and his wife officiated the Ancestor Blessing Ceremony. Pres. Lee expressed his gratitude for True Parents' recent work to speed up the providence of Cheon Il Guk and explained the value of the Blessing.

In closing, he offered a benediction prayer, saying, "Jesus Christ could not rescue even one soul from hell, but today all of us have been placed in a position more blessed than that of Jesus, and You have given us the amazing opportunity to join Your providence. Please let us deeply understand the value of this position. We are now in the position of proud ancestors for our restored spiritual children who have become absolutely good spirits. Please help each one of us to become an ancestor who can proudly lead our 10,000 spiritual children who are absolutely good spirits. We are in a historic position where we must attend True Parents with absolute faith, absolute love and absolute obedience, and form families of true love, while teaching and educating our ancestors as true teachers, as true owners in the earthly world by exerting the authority of the Messiah."
