At 9:30 p.m. on the first day (Aug. 16) and the second day (Aug. 17) of the Great Works, half-hour Hyojeong Offering Prayers were held at the main hall of Cheonseong Wanglim Palace. True Parents have changed the name of the offering prayer from "Fulfillment of Wishes Prayer" to "Hyojeong Offering Prayer" with the meaning that we are offering hyojeong to Heaven.

The participants firmed up their resolve to maintain absolute faith, absolute love, and absolute obedience so that Heavenly Parent could lead them directly. They offered sincere jeongseong, hoping that all their wishes could be fulfilled through attaining oneness in heart, oneness in thought, and oneness in body, and oneness in harmony.

The Hyojeong Offering Papers with their sincere wishes written inside were finally offered on the altar, and they prayed aloud that their wishes be conveyed to Heaven.
