On the first day of the Great Works (Aug. 16, 2019 at 7:20 p.m.), the opening ceremony of Hyojeong CheonBo Great Works Commemorating the 7th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind was held at the main hall of the Cheongseong Wanglim Palace. Korean Workshop Department Team Leader Woon-seong Yang hosted the opening ceremony and announced the information of ancestor liberation and blessing.

Gi-seong Lee, President of FFWPU for a Heavenly Korea and the HJ Heaven and Earth CheonBo Training Center gave a message :

"Our original and eternal homeland is the spirit world and we should march forward to get there. So no matter how beautiful our earthly land is, it is nothing more than a model or a shadow of our original and eternal homeland which is waiting for us. We don't know how beautiful and brilliant the spirit world is, If you were to live your life on earth in the same way as people in the spirit world do, you would be constantly engaged in competitions to practice true love, to live for the sake of others, because then, after you go to eternal heaven, you would be able to boast about how much love you have given. If we do this, we will naturally fulfill the eternal kingdom of Heaven on earth and in heaven. The only way to solve all the problems in this world is through the teaching of True Parents. Aju."
