On the first day of the Hyojeong Festival (Feb. 15), the Opening Prayer began at 6:30 a.m. Through this session all the participants offered their reports to Heavenly Parent and True Parents at the Jeongshim Won prayer hall where the spirit world and physical world resonate together. Jeongshim Won was filled with members from all over the world who had arrived at the Hyojeong Cheonwon Holy Ground the previous day. Training center Vice President Myong-kwan Lee, the MC for the opening prayer, introduced the main programs of the Hyojeong Festival and asked the participants to spend more time offering jeongseong because most of the chanyang sessions were removed from the schedule this time and entreated them to make a resolution for a fresh start to inherit the grace of the great victory.

After the following Opening Remarks, Gyeongbae (bow) and Family Pledge, FFWPU for a Heavenly Korea and HJ Heaven and Earth CheonBo Training Center President Gi-seong Lee led a hoondok of True Mother's benediction prayer that she had offered to dedicate the Original Holy Wine to Heavenly Parent during the CheonBo Holy Wine Ceremony and President Gi-seong Lee offered the opening prayer report to the True Parents of Heaven, Earth, and Humankind, saying, "After True Father's Holy Ascension, True Mother was determined to achieve his will, and offered her seven years of jeongseong, to make all of us move forward toward a vision 2020 victory. Not only that, but True Mother led the way from east to west, and from north to south, and endured many trials like getting canker sores in her mouth, and having her legs swell so that she was not able to stand up properly, and in spite of those trials, she has constantly moved forward to keep her promise to the Ascended True Father that she will fulfill his will, and she has made her way through towards You bearing this most heavy cross in the world with tears. It was a holy path made by True Mother's blood and tears with the shimjeong of a mother who must save her dead child.

As a result, over the last seven years, the grace of Works of Substantial Holy Spirit, the only begotten daughter, True Mother and works of blessing and miracles have occurred throughout the five oceans and six continents. If we just become one with True Mother, the only begotten daughter, there will be amazing works and there is nothing we will not be able to achieve. Furthermore, with the victory of Vision 2020 you have set the standard for the seven nations and seven restored religions, and True Parents have bestowed the grace to the CheonBo families who registered for CheonBo Won as victorious families who have been victorious in the heavenly tribal messiahs mission. Our victorious Heavenly Parent, we still have a lot of things to do to fulfill our mission. In welcoming the 8th year of Cheon Il Guk, we are now ready to move forward toward victory in Vision 2027. This is a time to make a new start with Vision 2027. Please allow us to experience the amazing works of Hyo-jin nim, who opens and liberates the deepest realms of heaven and turns it into a flower garden as the lord who opens the gates of loyalty and filial piety, and Heung-jin nim, who is the commander in chief of the spirit world. And bring all the absolute good spirits, heavenly soldiers, and angels to come here and spread the light of hyojeong towards True Parents all over the whole universe."

After that, Vice President Myong-kwan Lee led the participants in song and praise with "Grace of the Holy Garden," and they offered their prayers to Heavenly Parent and True Parents with a loud voice and finished with three cheers of "Eog-Mansei," reporting the start of the Great Works to Heavenly Parent and True Parents.
