On March 2, Family Federation for World Peace and Unification (FFWPU) Daegu Namgu District Pastor Jeong Dong-won presented a donation of 10 million won (\$8,000 USD) at the Daegu Namgu Ward Office.

The donation will be used to help fund Corona-19 prevention, testing, and treatment efforts.

FFWPU Korea President Lee Gi-seong said, "We know that Daegu needs support because there are a large number of confirmed Corona cases in Daegu. In particular, I have heard that there are many suffering residents in the Nam-gu Ward. We hope that the situation in Daegu can return to normal as quickly as possible."
