At noon on 5.16 by the heavenly calendar in the 8th year of Cheon Il Guk (July 7, 2020), a "Special Luncheon with True Parents" was held at the Hyojeong Yeon restaurant on the fourth floor of the Hyojeong Café. The Special Luncheon was attended by 24 people, including representatives of True Family: Heavenly Parent's Holy Community WFWP International President Mrs. Julia H. Moon, Heavenly Parent's Holy Community UPF Korea President Yeon-ah Moon and members of the 3rd generation of True Family. Also accompanying True Mother were Mrs. Wonju Jeong McDevitt, the Chief of True Mother's Secretariat, International Headquarters Director-General Young-ho Yun, FFWPU for a Heavenly Korea President Gi-seong Lee, HJ Heaven and Earth CheonBo Training Center Vice President Myong-kwan Lee, leaders of other organization and directors from International Headquarters.

The Special Luncheon was hosted by Director-General Young-ho Yoon, and included the entrance of

True Parents, an offering of flowers (team Suseonhwa), gyeongbae (all together), a representative prayer (President Yeon-ah Moon), a victory toast (International President Mrs. Julia H. Moon), the luncheon (all together), a celebratory performance (team Suseonhwa, members of the 3rd generation of True Family), and a Hyojeong Yeon Cup Singing Contest. Director-General Young-ho Yun reminded all the participants of what True Mother had said before: "You must invest everything you have with a 'life-or-death determination' to bring victorious results during this seven-month period. If we invest like that, heaven can work with us."

He emphasized that True Mother is leading the way in the providence and that she had held this special luncheon with a hope that all the executives at the Cheon Jeong Gung Headquarters will serve as models for the world as they are called upon to be. After the luncheon, team 'Suseonhwa' came out and gave a special performance, presenting a cheerful variety of exciting songs and dances. The four members of the 3rd generation of True Family who followed performed beautiful melodies in choral harmony, creating a fantastic ensemble. Following that, the Hyojeong Yeon Cup Singing Contest was held. As the first singer to take the stage, Vice President Myong-kwan Lee sang "Only One" and received an enthusiastic response from the participants for his outstanding singing skills.

A total of six leaders and directors from International Headquarters came out in turn to sing songs in front of True Mother, and their singing skills were so amazing that it became very difficult to determine who deserved the top prize. It was chef Gi-tae Han who finally prevailed, winning top honors for his rendition of the pop song "To Where You Are." True Mother responded with the song "Home, Sweet Home" in her beautiful heavenly voice. She entreated Director-General Young-ho Yun to sing the song "Ahshi," and he offered a musical and expression of the tune for True Mother.

Following that, the event concluded with three cheers of Eog-Mansei led by Director Seung-man Bang from the General Affairs Department of FFWPU International Headquarters. True Mother departed Hyojeong Yeon to the sound of rousing cheers and loud applause from everyone present.
