On 5.28 by the heavenly calendar in the 8th year of Cheon Il Guk (July 18, 2020), the 1514th Hyojeong CheonBo Workshop was held at the main hall of the Cheonseong Wanglim Palace. Due to unavoidable circumstances resulting from the corona outbreak, the 104 staff members from the training center represented all the blessed families and other members from Korea, Japan and around the world who had registered for the workshop.

A total of 20,363 people were registered for Ancestor Liberation, Collateral Liberation, and Ancestor Blessing. For the Japanese and international members who registered for this workshop, the video workshop will be held next week in their local areas with the edited video of this workshop.

With large screens installed on the stage and video filming conducted, the participants donned their holy

robes and sat in chairs that were spaced one meter apart from each other.

The entire schedule was led by the Korean Workshop Department Director Woon-seong Yang, starting from 1:30 p.m. The program progressed as follows: orientation, video screening of *Hyojeong Today*, opening ceremony, message by President Gi-seong Lee, chanyang for the Ancestor Liberation Ceremony, Jeongshim Won prayer, video screening of "The Grace of Ancestor Liberation and Blessing," and Ancestor Blessing Ceremony, followed by closing remarks at 5:30 p.m.

At the opening ceremony of the 1514th Hyojeong CheonBo Workshop President Gi-seong Lee delivered a message to the participants under the theme of "The Grace of 49th Anniversary of the HJ Heaven and Earth CheonBo Training Center" and read the following words of True Parents.

"I should offer an incredible amount of devotion, numerous conditions of devotion, in order to create a strong economic foundation for the liberation of all peoples of the world. Afterward, God and Satan will have to acknowledge what I did.

That is why I have been going to Chung Pyung every day. I may return home around midnight, but desiring to see that land again I will go back there the following morning." (Chambumo Gyeong, p. 1531)

FFWPU for a Heavenly Korea President Gi-seong Lee, looking back on the history of 49 years of CheonBo Works, explained that the sincere efforts of True Parents to find the Chung Pyung Holy Ground were the basis for the change in the spirit world and the victory in the first, second and third stages of the absolute four position foundation. He reiterated True Mother's words, saying, "The center of this Seonghwa Festival will be the Jeongshim Won prayer hall, and that Jeongshim Won is a place where you can attend True Father and talk to your four position foundation, the True Family, so that by offering jeongseong at Jeongshim Won you can interact with the spirit world."

He went on to say that the amazing works centered on Jeongshim Won were connected to the online and offline special prayer vigil gatherings held by each Region in Korea, delivering testimonies from the participants who experienced heavenly grace and spiritual revival there. President Gi-seong Lee went on to offer us guidance, saying we should follow True Parents' words in the midst of the chaos caused by the coronavirus, and expressed his gratitude to all members for faithfully repenting with tears for the shortcoming in their lives.
