Recently we have not been able to hold Hyojeong CheonBo events in any of the local areas of the Europe and the Middle East due to the Corona pandemic, so instead, on August 29, we held an online Hyojeong CheonBo Event, the first online workshop in Europe. This event followed up on the Rally of Hope for the Realization of a Heavenly Unified World held on August 9 in attendance to our True Parents, in which the entire atmosphere was full of heavenly fortune and glorious victory, and this strong spirit continued through the Ancestor Liberation and Blessing during the CheonBo event.

There are still many difficulties in the Europe and the Middle East Region because of the Coronavirus pandemic, but the event was held with a lot of heavenly grace, with participation by 450 members from 6 countries. Members from UK, France, Germany, Italia, Russia, and Turkey registered and participated in this feast of grace given by our True Parents.

The entire schedule was starting from 2 p.m. The program progressed as follows: Singing of a hymn orientation, video screening of Hyojeong Today, greeting message by Heavenly Europe Regional Group Chair Michael Balcomb, welcoming remarks by each Sub-region's Presidents, opening message by Heavenly Europe and the Middle East Branch Training Center President In-pyo Moon, chanyang session, Ancestor Liberation Ceremony, Jeongshim Won prayer, special video screening of "Blessing of Spirits and Ancestor Liberation and Blessing," and Ancestor Blessing Ceremony, followed by closing remarks.
