On 7.16 (September 3rd by the heavenly calendar), at 9 a.m., at the Jeongshim Won prayer hall, FFWPU for a Heavenly Korea President Gi-seong Lee, HJ Heaven and Earth CheonBo Training Center Vice President Myong-kwan Lee, and 30 senior staff members attended the first session of the Hyojeong CheonBo Great Works Commemorating the 8th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind wearing masks and maintaining their social distance. The program progressed as follows: Singing of a hymn, opening remarks, Cheon Il Guk Anthem, gyeongbae and family pledge.

President Gi-seong Lee read words given by True Mother's conveying that the five Sub-regions of Heavenly Korea should offer sincere jeongseong to heaven for seven months, becoming one with the HJ

Heaven and Earth CheonBo Training Center and focus on achieving the reunification of South and North Korea, and that the main location for this Seonghwa Festival must be Jeongshim Won.

"True Father must take responsibility for North Korea and open the door to reunification. You must make sure that your devotion reaches the heaven so that True Father has no choice but to move. We need to create the situation in which he can entirely fulfill his responsibilities as the True Parent who has come for the first time in 6,000 years. You must think about my three-year period of memorial devotions after Father's Ascension. The person who has departed has a responsibility. It is a fundamental principle of creation that after fulfilling one's portion of responsibility a blessing will come. Every person has their own portion of responsibility. Children who fail to complete their responsibility cannot come near the parents. The destination for drops of water that form a stream and become a river is the sea. We have to reach our destination. Centering on North Korea, we should all make efforts to mobilize the good spirits from heaven to work with us. Especially for these seven months, the five Sub-region Directors of the Korean Heavenly Parent's Holy Community must be united with me.

The five Sub-region commanders must have clear goals. Rest is forbidden on the battlefield. Your life depends on how strongly you can focus. Starting today, let's run forward for seven months. I want to be nice to all of you. However, I can't always be generous. I am the one in charge and is taking full responsibility. The reunification of South and North Korea should be fulfilled in attendance to True Parents." (True Mother's Speech at the Hyojeong Yeon restaurant on June 1, 2020)

"You should be able to go to the Jeongshim Won to see True Father 365 days a year. You need to be able to talk to your four-position foundation. This Seonghwa Festival will be held at Jeongshim Won. Jeongshim Won is a place where people can experience living with their True Parents all the time. Also it is a place where you can interact with the spirit world. By offering your prayers and sincere wishes at the Jeongshim Won, you must let the 7.7 billion people around the world quickly come to know who True Parents are.

Pray that True Father, who has ascended to the spirit world, will take the lead. The physical world is also important. We need to resolve the difficult relations between South and North Korea. The Korean people have not become one in 5,000 years. A small country is divided between north and south. You need pray to True Father to open the doors of South and North Korea to unify and Jeongshim Won should become the main base of the providence to unify South and North Korea." (True Mother's Speech at Cheon Jeong Gung on June 8, 2020)

Following the reading, Vice President Myong-kwan Lee led the participants in song and praise with "Grace of the Holy Garden," and they offered their prayers to Heavenly Parent and True Parents with a loud voice and concluded with three cheers of "Eog-Mansei," reporting the start of the Great Works to Heavenly Parent and True Parents.
