Proof of being a student

After graduating from high school, he suffered a major accident, and then he was undergoing an indescribable ordeal, he couldn't even leave his room due to panic attacks, and he was in a situation like he was taking neurostabilizers and antidepressants I have lived with a grudge that all difficulties are for the church and the true fathers. Afterwards, I was led to a spiritual training session, and experienced a resonating event with the Heavenly Father and Mother, my faith completely changed, and I had an encounter with the Father in Heaven, which I cannot forget, and heard the voice of Heaven. "Sorry. Watching over you and wanting to forgive you so badly I wanted to hold you in my breast ache. I was always waiting for you. Sorry I couldn't protect you in the closest place. Thank you for still looking for me. " and heard the voice of true love.

young people burning with the fire of faith. Because Heavenly Father is in charge.

This earth is the world with the most conflicts. The world is overflowing with mentally ill patients, and now this warning comes to us is a lesson that humanity will have no peace if we don't center ourselves on the true fathers' ideas, and that this is the only way to live. If we conceive and pray not for me or my household, but for the release of our true mother, and for this nation to go as an elected people from heaven, heaven will take charge on this night. I pray for another blessed time today.
