3rd Hyojeong CheonShim Cheonbo International Yeongseong 40-day Workshop

May the blessings and love of our Heavenly Parent and True Parents be with all mission nations.

On October 11, 2020, during the Victory Celebration of the Great Cheonbo Festival, True Parents stated:

"We must nurture leaders who can take responsibility for Cheon Shim Won and become successors. In particular, we must raise leaders who can read True Mother's heart. They must become a fence that protects three generations. A leader who is not pure and chaste can never stand in the front. Therefore, Cheon Shim Won is a place to educate people through devotion (Jeongseong) to remove all flaws and stains. We must now live in accordance with the era of Cheon Il Guk. Cheon Shim Won should call and educate children whom Heaven considers pure. Just as Tibetan Buddhism raises the Dalai Lama, we must raise them from a young age. We must bring and raise spiritually bright babies. At Cheon Shim Won, we must raise clear and pure children in a pure way. When moving toward a priesthood system, Cheon Shim Won is what raises people who can hear the voice of Heaven and convey the heart of Heaven. No one can come and sway it. The spirit world and the physical world must move forward in complete unity."

Furthermore, on October 31, 2024, during the Special Assembly for the 12th Hyojeong Cheon Shim Cheonbo 40-Day Spirituality Workshop, True Parents granted a mission and responsibility to the trainees:

"You young people receiving spiritual training must become one with the spirit world and clear away everything that could be an obstacle to the completion of Cheon Il Guk. You will know how to clear them away. You just need to make it so the spirit world can work through the devotions at Cheon Shim Won."

In accordance with these words, we announce the '3rd Hyojeong Cheon Shim Cheonbo International 40-Day Spirituality Workshop' to nurture future talents of purity, whiteness, chastity, and pure gold who can become one with True Parents' heart and engage in a direct "Question and Answer" relationship with Heavenly Parent. We ask for your great interest and participation.
