1. The 1321st Chung Pyung 2-day Workshop

In the first week of June, which was 4.24~5.1 of the heavenly calendar in the fourth year of Cheon Il Guk (solar calendar May 30~Jun 5), the 1321st Chung Pyung 2-day Workshop was held.

Vice-President Myong-kwan Lee introduced a story that he experienced while visiting 13 districts of Japan during May 28~31. Especially he reported about the Kumamoto District's members living with bright spirits after the massive earthquake there, regaining vitality in their lives from True Mother's words when she said, “appreciate everything and live with hope for the future” .
