On the 11th of September, President Gi-seong Lee was invited to the Ansan Church for the Sunday service tour. He gave a message to the 250 members gathered there.

Ansan City was still suffering from the Sinking of MV Sewol. Ms. Yeong-eun (2nd gen) was one of the victims of that died when the MV Sewol sunk. But her parents thought deeply of the meaning of Seonghwa and completely overcame the trauma by attending Sunday service with a grateful mind. After the Sunday service, Ms. Yeong-eun's mother said "I am Ms. Yeong-eun's mother who was a victim of Sinking of MV Sewol. I was so grateful for Seonghwa speech". Her speech confirmed that True Parents' ability and authority are beyond death.
