On the 9th of May, 2017, the Graduation Ceremony of the 4th ASIAN TOP GUN 21-day Workshop was held at the Cheon Jeong Gung Museum with True Parents, and 117 trainees who completed all sessions of the 21-day Workshop. Over the course of the 21 days, all trainees attended DP lectures, True Parents' life course, special lectures by Chief of Staff for Dr. Hak Ja Han Moon's Secretariat Wonju McDevitt, Director General Sung-il Cho and Secretary General Young-ho Yoon, and also went on a Holy Ground Pilgrimage. In the Graduation Ceremony, Special Emissary for Asia Chung Sik Yong made a speech about the impact that the workshop had, and how the enthusiastic atmospheres continued throughout the 21 days. This was followed by two participants testifying that they were able to overcome the hardships that had previously been difficult for them by loving and attending True Parents. As a Top Gun, they made a resolution that they will return joy and glory to True Parents with tears of joy on their face.

True Parents emphasized in the Graduation Ceremony, that Korea, centering on True Parents, should unite with all Asian countries, and preach about True Parents in the era of the Pacific Civilization as follows:

"Don't you think that when through you, other people, encounter True Parents and their ideology they will feel that meeting True Parents is the same as meeting the Creator, Heavenly Parent? Will they cry tears of gratitude, or not? Won't they be grateful? That makes you all saviors! Saviors! I told blessed families to fulfill the role of Heavenly Tribal Messiahs. You cannot stop at your tribe; you must think of all of the world's 7.4 billion people. Your energy, your stamina, your heart of HyoJeong (filial heart for Heaven) forges a path that will save the 7.4 billion people of the world. If that doesn't bring light to the world, what would? Isn't that so? Through you, the world's people will see the light. That means they will know True Parents. We must do this."

The trainees decided to sing a song of thanks to True Parents in a determined manner, and to then go out into the world and become representatives for True Parents. (Provided by [PeaceTV](#))
