Gi Seong Lee
November 5, 2017

The Ancestor Liberation of 1-315 generations was held on the 3rd day of the Great Works in the morning of the event in the main hall and in the small hall at the Cheonseong Wanglim Palace. And the Ancestor Blessing of 1-308 generations was held immediately after this. President Gi-seong Lee then offered the following prayer:

"Dear blessed ancestors today! Please come to this place as beautiful men and women like shiny, clear crystals and receive the blessing to enjoy forever in the spirit world. Please don't stop praising our True Parents for their blessings of illimitable grace, great glory and honor! This is the grace that you received from True Parents of Heaven, Earth and Humankind.

Please help the descendants of our blessed families be awakened by the works of ancestors who have become absolute good spirits. Please help us to achieve the settlement of Cheon Il Guk and Vision 2020 during the providential spring that has miraculously arrived for us. Please join us on November 11 to win a grand victory at the 'International Rally to Promote the Peaceful Reunification of the Korean Peninsula!' Please guide the ancestors to be restored and become proud and invincible to enter the Cheon Bo Won (Heavenly Genealogy Center) so that your descendants will light a shining ray of HyoJeong (a filial heart for Heaven) to fulfill True Parents' will."
